Booking Inspections

Inspections are required at various stages in the construction process to ensure that construction conforms to the minimum standards of the BC Building Code. Please reference your permit package for the inspections required on your Building Permit. If you have any questions for the type of inspections required, please contact us.

Inspection requests MUST include:

- Permit number and address
- Contact name and phone number
- Type of Inspection
- Date of inspection

Same day inspections are not available. If the date is not specified, the next available inspection day for that area will be booked. **48-hour advance notice is required for your inspection booking.**

Please be advised that failing to provide the above information may result in your inspection not being scheduled.

Inspection day schedule:

Central Okanagan **West** Electoral Area: Monday, Tuesday and Thursday

Central Okanagan **East** Electoral Area: Wednesday and Friday

Inspections are carried out between 9 a.m. to 3 p.m. on each scheduled inspection day

Where a second re-inspection is required due to non-compliance to code or bylaw provisions, a re-inspection fee shall be paid prior to the re-inspection.
