Sections 1, 2, 5 and 6 of this application form must be filled in for all applications.

Section 3 is required to be completed only if the application is for (or includes) a proposal to change the future land use designation or the text of the Official Community Plan.

Section 4 is required to be completed only if the application is for or includes a proposal to change the zones from Zoning Bylaw #871 (or land use designation from the Joe Rich RLUB, or discharge a land use contract).

An application to change a zone/RLUB designation as well as to change an OCP future land use designation can be made on one application. Multiple application forms are not necessary. Note that if the application includes change to more than one type of bylaw, additional application fees may be required. See the schedule of fees for more information.

It is strongly recommended that the applicant meet with staff to review application requirements prior to producing drawings and reports in order to ensure understanding of policies and requirements, ensure appropriate information is included, and avoid unnecessary delays.

There may be costs unrelated to this application that are assessed in conjunction with building permit or subdivision applications such as development cost charges, sewage utility latecomer fees, etc.
