

Hazardous Waste

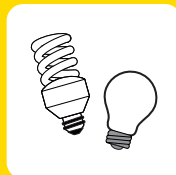

Paint

Batteries

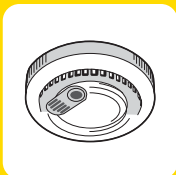

Cleaners & degreasers

Fluorescent light bulbs & tubes

Aerosols

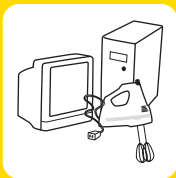

Thermostats & smoke detectors

Pesticides, fertilizers, & pool chemicals

Propane tanks

Electronics (anything with a power cord)

These items are only acceptable at certain locations throughout the region. Scan the QR code for more information and a list of disposal locations.

Garbage

Everything else! This includes items such as paper towels, napkins, facial tissues, used feminine products, diapers, etc.

Multifamily Toolkit

The RDCO has developed a recycling toolkit specifically for apartment and condo residents like you. This toolkit contains resources to help you find the right place for your materials.

In the toolkit you'll find...

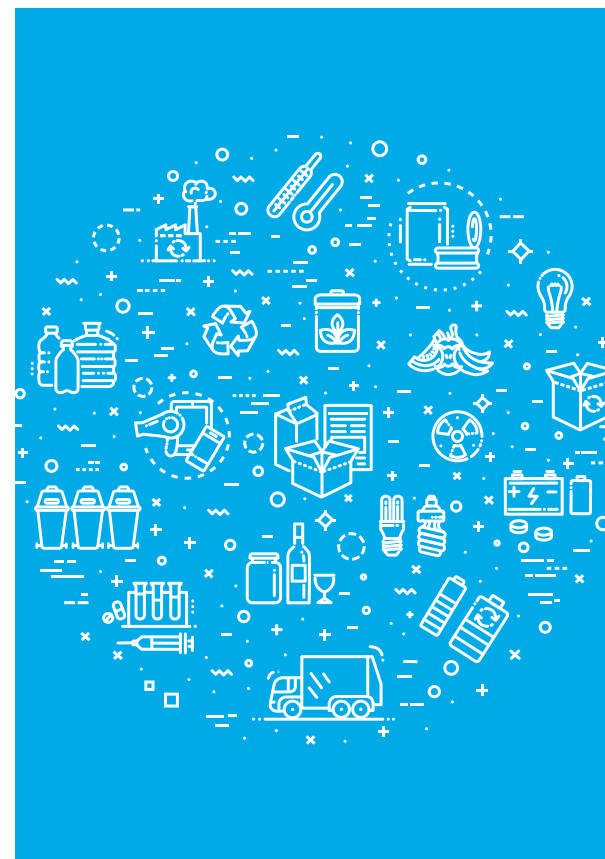

1. What to recycle and where
2. The do's and don'ts of hazardous waste
3. Tiny space storage solutions for recycling
4. Tips for going zero- or low-waste
5. How to reduce food waste and compost
6. How to build a community in your complex with recycling parties

Access the toolkit at www.rdco.com/multifamily.

Cardboard

The following items are accepted for cardboard-only recycling: **clean corrugated cardboard boxes and pizza boxes**. Ensure all boxes have been flattened before recycling.

Used Sharps

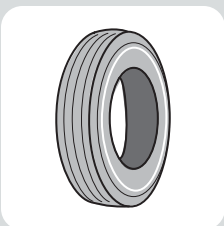

Interior Health accepts used sharps at all public health, primary care, mental health, and substance use sites. Many pharmacies will also accept sharps for proper disposal (call to confirm).

Needle disposal boxes for personal use can be found at these Kelowna locations:

- Interior Health Community Health & Services Centre, 505 Doyle Ave
- Kelowna RCMP Detachment, 1190 Richter St
- Outreach Urban Health Centre, 455 Leon Ave
- Rutland Community Policing Office, 115 McIntosh Rd

Tires

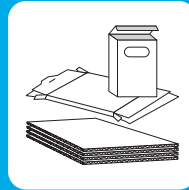

Please bring used tires to local tire shops, the **Glenmore Landfill** or the **Westside Residential Disposal & Recycling Centre**.
